

The work continues... As with most projects, there is always a few more things to do. Here at RBC that statement holds true. The immediate need is to have parking-lot lights installed. Closely behind that need is having the parking lot sealed and relined, exterior painting, exterior doors, and the installation of a sidewalk. As we did with several other projects here at RBC, the funds will be raised as a separate campaign. Start praying now as to what God would have you do to help with these much needed projects.

If you would like to contribute to one or more of these specific projects, please mark your giving envelope as to what fund you are designating your money towards.

Missionary of the Month

Wynne Family - Mexico and South America

One of the most pressing things at the moment is finding pastors that are willing to start new church plants. Whether a national of the area or someone looking to come to the field we ask for you to pray for God to guide us and open doors. We are looking to God for wisdom in this process. ~If you would like to participate in sending items to this family see Chris Gemmill.

A Note from Pastor Moore– I would like to personally thank you for coming and being with us in church today. If you are visiting for the first time, please fill out a visitor card and return it to the ladies standing at the rear of the sanctuary near the sound booth. We have a gift for you and would like to have a record of your visit. If you prefer a digital visitor card, those can be found on the card placed on the back of the chairs in the sanctuary. These are truly exciting times here at RBC and we hope that you enjoy the service and will prayerfully consider becoming a part of the RBC family.
